JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

October 29. Yellow fever, Habana, 1 case October 27, 1 October 28. Case on 28 came to Habana from Patos and received infection there. October 31. One new case yellow fever October 30.

Termination of close quarantine season.

On October 30, the following instructions were sent by the Bureau to Passed Assistant Surgeon von Ezzdorf:

After October 31, and until further notice, enforce provisions paragraph 13 quarantine regulations, inspect all passengers, and permit embarkation nonimmunes southern ports if well. List nonimmunes for Florida points and send list by same steamer to one of below-designated agents Florida State board, according to destination: J. M. Jackson, Miami; J. N. Fogarty, Key West; C. W. Bartlett, Tampa; W. E. Anderson, Pensacola. Notify service officers Matanzas, Santiago, and Cienfuegos.

On the same date the following telegram was sent to Dr. J. Y. Porter, State health officer of Florida:

Under Treasury regulations close quarantine season terminates November 1. Have sent following to von Ezzdorf, to remain in force pending further developments: "After October 31 and until further notice enforce provisions, paragraph 13, quarantine regulations, inspect all passengers, and permit embarkation nonimmunes southern ports, if well. List nonimmunes for Florida points and send list by same steamer to one of below designated agents, Florida State board, according to destination: J. M. Jackson, Miami; J. N. Fogarty, Key West; C. W. Bartlett, Tampa; W. E. Anderson, Pensacola. Notify service officers, Matanzas, Santiago, and Cienfuegos." The lists are sent to your agents, so that if you desire they may be forwarded to health officers at points of destination. Please instruct the service quarantine officers to make careful inspection Cuban vessels, but refumigation or detention is not required under regulations unless conditions on arrival demand. Letter follows.

In response to a request of Doctor Porter the following supplemental telegram was sent to Passed Assistant Surgeon von Ezzdorf: "October 31. Referring Bureau telegram 30, in addition lists therein mentioned, make complete list nonimmune passengers for Florida points and mail to State health officer, Jacksonville, Fla. Include Habana passengers for Jacksonville via steamship *Nicaragua*."

The following telegram was sent October 30 to President Irion, State board of health, New Orleans, La.; State Health Officer Tabor, Austin, Tex.; Doctor Goldthwaite, quarantine officer, Mobile, Ala.; Passed Assistant Surgeon Wille, Gulf quarantine, Biloxi, Miss., and Passed Assistant Surgeon Berry, Tampa, Fla.:

In accordance with Treasury regulations, close quarantine season terminates November 1. Service officer, Habana, instructed, after October 31 enforce provisions paragraph 13, quarantine regulations of the United States, at Habana and other Cuban ports, closely inspecting all passengers. Treasury regulations require continued inspection at all ports of arrival, but refumigation and detention not required unless conditions on arrival demand.
